

Care Services Improvement Partnership **CSIP**

**National Institute for  
Mental Health in England**

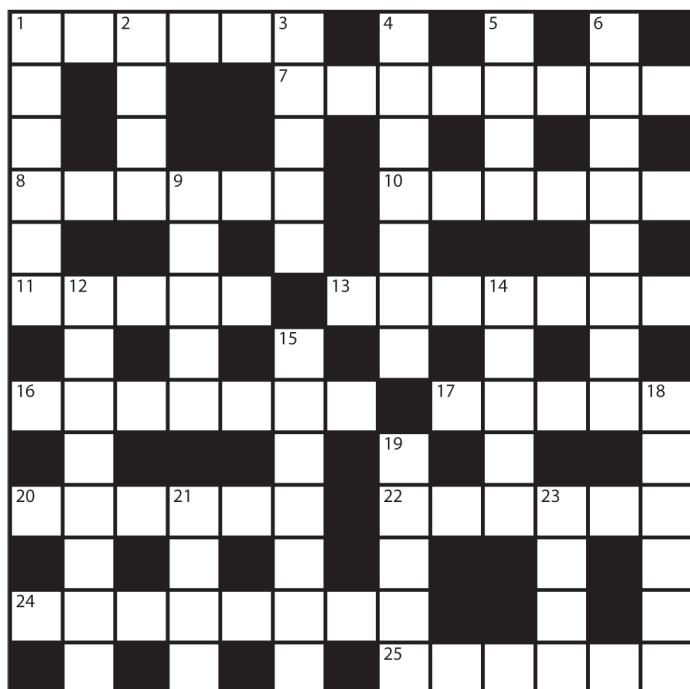

NIMHE aims to improve the quality of life of people of all ages who experience mental health problems, by supporting policy development, policy implementation and developing local capacity and capability.

Commissioned nationally by the Department of Health and regionally by Strategic Health Authorities, it operates across health, local authorities and the third and independent sectors with both commissioners and providers.

Major programmes include

- Commissioning\*
- Delivering Race Equality
- Mental Health Legislation
- Primary Care\*
- Improving Access to Psychological Therapies
- Specialist Mental Health Services
- Wellbeing and Inclusion
- Workforce \* CSIP wide programme

For further information about NIMHE and what is happening in your area, visit NIMHE's website [www.nimhe.csip.org.uk](http://www.nimhe.csip.org.uk)
